MY YO UR IS

Myyour è passione per il design, per la ricerca, fra linea e tecnologia, per competere nel mercato worldwide, sempre più esigente e in continua espansione.

Una vita nel colore, nella forma positiva, giocosa ed eccellente della materia. Un team dinamico, preparato ed efficace per rispondere ad ogni richiesta del Cliente.

Un'azienda giovane, in cui l'interazione fra tecnologia ed esperienza produttiva trentennale, risulta essere la vera forza della libertà creativa, della diffusione e dell'eccellenza nel processo produttivo.

Myyour è, dopo dieci anni dalla sua fondazione, un'azienda consolidata, una coesione fra saper fare e un'identità in costante mutamento, sempre pronta ad accogliere nuovi trend, nuove esperienze creative per ogni esigenza, indoor e outdoor, dell'abitare.

Myyour is passion for design, research, between line and technology, to compete in a global market, increasingly demanding and ever expanding.

A life in color, in the positive, playful and excellent form of material. A dynamic team, prepared and efficient to respond to every need of the Customer.

A young company, in which the interaction between technology and decades of productive experience, appears to be the real strength of creative freedom, the spread and excellence in the industrial production.

Myyour is, after ten years since its foundation, established company, a cohesion between know-how and identity constantly changing, always ready to welcome new trends, new creative experiences for every need, indoor and outdoor living.

EXTRA è un avverbio latino di moto a luogo che significa "Al di fuori", da un centro abitato verso l'esterno. Col tempo questo vocabolo si è trasformato in aggettivo e prefisso che, anche nelle lingue anglofone, significa "fuori dall'ordinario e straordinario".

EXTRA di My your è, allo stesso modo, una collezione fuori dall'ordinario e finalizzata all'outdoor senza confini.

Eccellenza nei materiali, linee minimali e sinuose, tecnologie all'avanguardia consentono a EXTRA di essere adattabile a qualsiasi spazio esterno e a qualsiasi stile di vita.

EXTRA di My your, pertanto, rappresenta un nuovo concept di arredo per esterni ed una evoluzione stessa dell'azienda verso prodotti eccellenti e extra-ordinari.

EXTRA is a Latin adverb of movement which means "Outside", from the town to the outside. Over time this word has become an adjective and prefix that means "out of the ordinary and extraordinary", even in the English-speaking languages.

EXTRA by My your is, at the same way, a collection out of the ordinary and aimed at outdoor without borders.

Excellence in materials, minimal and sinuous lines, cutting-edge technologies allow EXTRA to be adaptable to any outdoor space and any lifestyle.

EXTRA by My your, therefore, represents a new concept of outdoor furniture and an evolution of the company towards excellent and extra-ordinary products.

PUSH COL LEC TION

Il vivere l'esterno è fatto di situazioni diverse, ma complementari fra loro, con il comune denominatore di voler assaporare al meglio, accomodati sul divano, attorno ad un tavolo o sdraiati sul lettino, quello che l'outdoor può offrire in termini di relax e convivialità.

Da qui la decisione di arricchire la famiglia Push con nuovi elementi, dove il dettaglio della gamba in alluminio resta il punto focale attorno al quale è stata pensata l'intera collezione. Completano la gamma l'elegante tavolo tondo in due misure, una ulteriore versione del tavolo da pranzo rettangolare, la sedia e il salottino lounge.

Living outdoors is made up of different but complementary situations, with the common denominator of wanting to savor at best, seated on the sofa, around a table or lying on the sunbed, what the outdoors can offer in terms of relaxation and conviviality.

Hence the decision to complete the Push family with new elements, where the detail of the aluminum leg remains the focal point around which the entire collection was designed. The elegant round table in two diameters, a further version of the dining rectangular table, the chair and the lounge set complete the range of products.

A photograph of an outdoor dining area. In the foreground, there are several small, round, black metal tables with three legs, each accompanied by two modern, black metal armchairs with light-colored seats. The furniture is arranged on a light-colored concrete patio. In the background, there is a swimming pool with a dark blue interior, surrounded by a lush green lawn and a stone wall. Large, mature trees are visible behind the wall, and the scene is bathed in bright sunlight, casting shadows on the ground.

MARE

Mare è una collezione fresca e colorata, immediata, come il suo nome, che ci porta subito tra le onde e nella spensieratezza estiva.

I moduli che compongono la collezione sono caratterizzati da forme arrotondate e organiche, tipiche degli arredi anni 60. Questo richiamo al vintage viene ulteriormente sottolineato dalla scelta dei tessuti: le trame delicate riprendono i colori dell'acqua (azzurro, grigio chiaro, verde acqua, blu) e della terra (rosa, sabbia, beige), dando alla collezione un aspetto vivace ma mai troppo carico, che, grazie all'utilizzo delle nuance pastello, restituisce eleganza agli imbottiti.

La collezione si compone di elementi modulari che permettono composizioni che spaziano dalla singola poltrona, fino a diventare grandi isole in grado di adattarsi agli spazi più differenti.

Mare is a fresh and colourful collection; it has an immediate effect, like its name, which makes us dive in the waves and in the summer happiness. The modules that create the collection are characterised by round and organic shapes, which are typical of the '60s. The choice of the fabric further highlights this reference to vintage: the delicate weft reminds of the colours of water (light blue, light grey, turquoise, blue) and soil (pink, sand, beige), which give the collection a vivid, yet never too heavy aspect. The use of pastel shades donates elegance to the upholstered furniture.

The collection is made up of modular elements that allow various compositions, ranging from a single armchair to large structures that can adapt to areas of different sizes.

MODÌ

Modi nasce con la volontà di interpretare lo spazio dentro e fuori casa.

Caratterizzato da quattro moduli: seduta, bracciolo/schienale, angolo e piano in vetro, si trasforma in varie configurazioni lasciando spazio alla creatività dell'acquirente permettendogli di adattarlo ad ogni spazio.

Aggiungendo alla base il piano in vetro, la collezione Modi si completa con il suo tavolo.

Modi comes to be with the will to interpret space inside and outside the house.

It features four modules: the seat, armrest/backrest, corner and glass top, which turn into various configurations giving way to the buyer's creativity and allowing him to adapt it to any area.

Adding a glass top to the base Modi collection is completed with his table.

WAVE COL LEC TION

Eleganza non è solo sobrietà e rispetto dei canoni di moda e bellezza, ma è aggiungere quel tocco di stile che permetta di distinguersi fra molti. La speciale tramatura ondilinea caratterizza non solo i cuscini, ma anche i nuovi daybed single e double. I cuscini oltre ad arredare gli spazi mettono in risalto le nostre collezioni. I nuovi daybed abbattano il rigore, la compostezza e la formalità, lasciando la libertà di prendere una posizione sotto tutti i punti di vista.

Elegance is not only sobriety and respect for the canons of fashion and beauty, but it is adding that touch of style that allows you to stand out among many. The special wavy texture characterizes not only the cushions, but also the new single and double daybed. The cushions in addition to furnishing the spaces highlight our collections. The new daybeds break down rigor, composure and formality, leaving the freedom to take a stand from all points of view.

STE WARD

Come suggerito dal suo nome, Steward è un pratico e simpatico complemento, dalle forme vagamente antropomorfe, con funzione di servomuto, (appendi abiti e porta salviette), che si trasforma facilmente in tavolino appoggiando sulle sue braccia un piano, o lo stesso vassoio con cui vengono serviti clienti in un bar o in un club.

Steward è realizzato in metallo curvato, risultando così leggero non solo come peso ma anche a livello visivo, ed è quindi facilmente abbinabile a diverse collezioni.

La gamma cromatica proposta prevede sia colori accesi che nuance neutre in grado di accostarsi ai tessuti più diversi

As suggested by its name, Steward is a practical and nice complement, vaguely and anthropomorphic in shape, with the function of a valet stand (clothes hanger and tower rail), which easily turns into a coffee table by placing on his arms a top, or the same tray with which customers are served in a bar or a club.

Steward is made of curved metal, making it lightweight not only in weight but also visually, and is therefore easily combined with different collections. The chromatic range proposed includes both bright colours and neutral nunces that can be combined with the most diverse fabrics.

L'utilizzo delle cover opzionale è consigliato per una protezione supplementare durante la stagione invernale o periodi di inutilizzo prolungato, per la notte e per precipitazioni abbondanti.

The cushions, in polyurethane resin and covered with a water-repellent membrane and SUNBRELLA® fabric, are available in different shapes, with and without ballast.

The use of optional covers is recommended for additional protection during the winter season or periods of prolonged inactivity, for the night and for heavy rainfall.
